

BLUE HILL CO-OP

COMMUNITY MARKET & CAFE

THE HARVEST HERALD the goods. the news. free.

AUGUST 2017 This month is all about relocation news: Wow. And a huge THANK YOU. We reached and exceeded our State-mandated benchmark of \$500,000 *before* the Aug. 16 deadline. In a showing of tremendous community support, we are excited to announce that, as of 7/25/17, we've sold \$552,800 in investment shares to 136 Co-op owners. Seventy-one member-owners responded to the May 24 mailing and invested \$282,100 in 7 weeks, bringing us to this important benchmark 5 weeks ahead of the August 16 deadline. This burst of enormous support has propelled us into the next

stage of preparing for relocation. Our Phase 1 goal is \$1million. **Maine resident Co-op member-owners have until August 16th to invest in the Phase 1 Preferred Shares offering.**

A share costs \$100. Every share will get is there.

Please visit the Co-op website, www.bluehill.coop for an update of how many shares of each of the four classes offered are still available.
